

ECCO Relaunch Information

DROP-OFF | PICK UP

- Only one parent/guardian may drop off a child in a children's area. If parents have children in nursery, preschool, and elementary one parent may drop off in the nursery and the other may drop off in the preschool and elementary area.
- Drop off begins 15 minutes prior to service.
- The same parent who dropped off their child must pick up their child within 5 minutes of service ending. We will be closed for 10 minutes between services to clean and disinfect.

CHILDREN RE-ENTRY GUIDE

1 Before Arriving on Campus

- Reservations are required for all children attending ECCO due to limited class sizes, and are available on the app or website.
- There will be a limit of 10 children per class.
- Parents will need to RSVP each child for each service he/she plans to attend (i.e. 2 children both at 2 services requires 4 reservations).

2 Masks

- All children 2 and up are required to wear a mask while in the building.
- All ECCO Leaders will be required to wear a mask.

3 Check-In

- Parents will enter through the Children's entrance that will be marked by ECCO flags. All families will be screened before entering the children's environments, then will be checked in by volunteers.
- Parents will apply the security sticker on the front of their child's chest.

4 Drop-Off

- After checking in and receiving the child's security tag sticker, the child will be escorted by 1 parent to their Small Group.
- There will be a one-way traffic flow marked with arrows on the floor.

5 Large Group

- During Large Group, children will sit in Small Groups of 10 children.
- This Small Group is together the entire service and socially distanced from other groups.

6 Small Group

- Once arriving in their assigned Small Group classroom, children will sit together on a rug or around tables.
- Children will neither receive snacks nor share community materials.
- Children will receive prepackaged crayons to use during class and take home afterwards.

7 Dismissal

- To pick up a child from ECCO, only the same parent who dropped off, with their security tag sticker ready, will be allowed to enter the children's environment. Families will follow the same one-way traffic flow as drop-off.

8 Other Need to Knows

- **Cleaning:** Leaders will sanitize all areas before, after and throughout the services. Children's environments will be closed for 10 minutes between services to disinfect.
- **Multiple Service Attendees:** A child will be with the same Small Group unless they stay for two services. Children that attend multiple services will be with the same Small Group until they are dropped off by their first service Small Group Leaders to the next service's Small Group Leaders. The child then joins his/her new Small Group and repeats the process for the next service time.
- **If Your Child Becomes Ill:** Your child will be removed from the classroom and their security tag sticker number will be displayed in the worship center. Please watch carefully and come as quickly as possible. We will also text you if you do not respond. Please put your phone on vibrate and keep it where you can feel it.
- **COVID-19 Diagnosis:** If your child or someone in your household contracts COVID-19, please notify our team immediately. You can email ecco@experiencecc.com. You will remain anonymous. We will notify everyone in your child's Small Group of potential exposure.
