

Hey Parents!

We are so excited about Community Camp! Our goal for this fun-filled week is to build relationships with children. Community Camp is a great time in which we have the opportunity to intentionally share how much the children are loved and known by God! Community Camp is for all incoming 1st through 5th graders on June 14th-17th, every day from 8:30 am - 12:00 pm.

The theme for Community Camp this year is SPACE! We will be learning how God formed and filled the earth, how much God loves each of us, and how we tell others about Christ! We will teach our campers how to grow their relationships with God daily!

Here are the dress-up days for camp: (This is optional. This is just a fun way for kids to engage more throughout the week.)

- **Monday:** Pajama Day
- **Tuesday:** Animal Day
- **Wednesday:** Super Hero Day
- **Thursday:** Wacky/Tacky Day

We are so excited to see what God is going to do through this camp!
If you have any questions, please feel free to email us at: ecco@experienceecc.com

Sincerely,

The ECCO Team
